

WaveGrip

A New Wave of Environmentally Friendly Packaging

100%
PLASTIC
FREE

Need an environmentally friendly carrier for your cans? Look no further

The WaveGrip Cardboard Can Carrier is...

- Lightweight, curbside recyclable, and biodegradable!
- Applicable to multiple can sizes including 8oz, 12oz, 16oz, and 19.2oz in 202/211 and 202/204 diameters
- Available in White, Craft Brown or Custom high-quality print to maximize your shelf appeal
- Secure, using a unique 2-layer design that creates a locking-ring mechanism to optimize strength and grip
- Available in 4, 6, and 8-pack formats
